

Botanical Assessments

2010 Privett S.D.J. Baseline botanical assessment for Wydgelegen and Cupidoskraal, Swellendam Municipality

2010 Privett S.D.J. Conservation management plan and botanical report for Wildekrans Estate, Farm 820, Botriver, Western Cape.

2009 Privett S.D.J. Construction of dam on farm Kleine Ezeljacht 53 (Genadendal, Caledon district): impact on vegetation.

2009 Privett S.D.J. Botanical assessment for proposed Erin Estate development on portion 3 of the farm 781, Botriver, Western Cape.

2009 Privett S.D.J. Botanical assessment of Uilenvlei Private Nature Reserve, Uilenkraalsmond.

2009 Privett S.D.J. Desktop botanical summary for proposed Abagold Seaweed Farm development.

2008 Privett S.D.J. Botanical assessment for proposed development of a portion of the farm 654/18, Stanford, Western Cape.

2008 Privett S.D.J. Botanical assessment for Birkenhead smallholdings, Danger Point Peninsula, Gansbaai.

2008 Privett S.D.J. Fire management plan for Romansbaai, portions 2, 17 & 18 of the farm Klipfontein, Gansbaai.

2008 Privett S.D.J. Desktop botanical summary for proposed Hawston storm drainage pipeline.

2007 Privett S.D.J. Botanical assessment and restoration plan of proposed new north bank expansion of Witfontein quarry, George, Western Cape Province.

2007 Privett S.D.J. Botanical study of proposed development of the van Dyksbaai allotment area, comprising 8 erven numbered 1222 to 1229, subdivisions of erf 1214, Kleinbaai, Western Cape

2007 Privett S.D.J. Botanical assessment of proposed Kleinberg residential development, (Erf 459), Riviersonderend, Western Cape

2007 Privett S.D.J. Botanical assessment of proposed tourism development on Jubileeskraal, (246), Swellendam, Western Cape

2006 Privett S.D.J. Baseline sensitivity study of proposed borrow pit sites for the resurfacing of the r1521, Stilbaai, Western Cape.

2006 Privett S.D.J. Livelihoods out of the ashes – an opportunities analysis following the 2006 Overberg fires. Report for Fauna and Flora International, Cambridge.

2006 Privett S.D.J. Vegetation survey and preliminary conservation management plan for remaining natural vegetation at Robert Stanford Estate (farm 646), Stanford, Western Cape.

2006 Privett S.D.J. Baseline sensitivity study of proposed sand mine on portion 3 of farm sand down estate no 220, district Bredasdorp.

2006 Privett S.D.J. Botanical assessment of proposed development at Compagnes Drift, Botriver, Western Cape

2006 Privett S.D.J. Botanical sensitivity study of proposed construction sites for in-stream dams on the farm Paardenberg river no. 663, Caledon, Western Cape.

2006 Privett S.D.J. Vegetation study of area proposed for cultivation of virgin soil on farm 223/2 & 227/1, Pearly Beach, Western Cape.

2005 Privett S.D.J. Botanical assessment of Middelberg Farm, Stanford.

2005 Privett. S.D.J. Botanical assessment of Uilkraals River Sanctuary, Uilenkraalsmond.

2005 Privett S.D.J Botanical assessment of the farm Heidehof, Pearly Beach.

2002 Privett, S.D.J. Vegetation survey of the proposed site for the family camp and associated facilities at Wortelgat. Unpublished report, Fynbos Ecoscapes, Cape Town.

2001 Privett, S.D.J. Botanical Survey of Erven 34, 515 and Arniston Downs 260, Waenhuiskrans, Bredasdorp District. Unpublished report, Fynbos Ecoscapes, Cape Town.

2000 Privett, S.D.J. Botanical survey of a portion of the farm Blue Horizons in the Uilenkraalsmond district. Unpublished report Fynbos Ecoscapes, Cape Town.

1999 Privett, S.D.J. Botanical survey of a portion of the farm Springfontein in the Uilenkraalsmond district. Unpublished Report, Fynbos Ecoscapes, Cape Town.

1997 Privett, S.D.J. Impact assessment and rehabilitation plan for the proposed film set on Geelbekskraal Farm, Lainsburg. Unpublished Report, Fynbos Ecoscapes, Cape Town.

Scientific publications, popular articles and books

2010 Privett, S.D.J. and Lutzeyer H.H.M. (2010). Field Guide to the Flora of Grootbos Nature Reserve and the Walker Bay region. Grootbos Nature Reserve Gansbaai.
